GRANT TERMS AND CONDITIONS

GRANT NUMBER:
40-10-GP-524

BEGINNING DATE:
June 1, 2010

ENDING DATE:
June 30, 2012

1. Administrative Requirements: The grantee agrees that the conditions and requirements of Office of Management and Budget (OMB) Circulars A-102, A-87, and A-133 will be the basis for its operation and administration of this grant. Some important elements are specified below. The grantee also agrees to the following terms and conditions necessary to facilitate post-award administration of the grant and to protect the interests of the Federal Government. Grantee noncompliance with these terms and conditions will cause disallowance of costs charged to the grant.

2. Work Program: The grantee shall carry out the scope of project work specified in the grant application forwarded. If any portion of the work to be supported by this grant receives financial assistance from another source during the grant period, the grantee must notify the grant awarding official (the NPS official whose signature and title appears on the Grant Agreement).

In accordance with OMB Circular A-102, the grantee may not, without prior written approval by the NPS grant awarding official, make changes in the approved grant application or budget that would materially alter the scope of work described in the enclosed Summary of Objectives and Results and the Work-Cost Budget. The grantee assumes fiscal liability, without recourse to NPS, for all commitments that exceed the funds provided in the Grant Agreement.

The grantee shall not assign or otherwise transfer final responsibility for this Grant Agreement, the grant, or the project to any third party. The execution of subcontracts shall not alter or modify the obligations of the grantee. However, the grantee may subcontract for performance of project-related work summarized in this Grant Agreement and described in the grantee's project application to NPS. All subcontracts are subject to prior written approval of NPS and, upon approval, become part of the Grant Agreement. Subcontracts also may not be changed without prior approval by NPS. The grantee remains fully responsible for the acts, omissions, or noncompliance of its subcontractors and of persons directly or indirectly acting for, or employed by, such subcontractors.

3. Period of Performance: All costs incurred during the grant period specified above must be billed to the National Park Service by **June 30, 2012**, or within 90 days after the completion of project work, whichever is sooner.

4. Payment: A SF-270, *Request for Advance or Reimbursement*, must be faxed to the NPS Grant Awarding Official for approval of payment requests. After NPS has notified the grantee that the payment request is acceptable, the grantee can then transmit the payment request on the SMARTLINK payment system. Payment of grant funds will then be made by SMARTLINK electronic transfer of funds to a specified bank account of the grantee.

NPS approval of payment requests is based on satisfaction of grant conditions and documentation that matching funds have been expended at the same rate as federal funds are requested. **The final 15% of the Federal grant will be held until all grant conditions are met, including submission of an acceptable Final Project Report. Grant funds may be put on hold for delinquent projects.**

All approved advance payments must be expended within 30 days of the receipt of funds. An SF425, *Federal Financial Report*, must be completed and submitted to NPS at the end of the 30 days documenting that the advanced funds have been liquidated.

5. Allowable and Eligible Costs: Expenses charged to grant funds may not be incurred prior to the beginning date specified above or subsequent to the grant end date, and may be incurred only as necessary to carry out the approved objectives, scope of work, and budget.

All expenses charged to the grant must be: directly related to the approved objectives and budget; eligible in accordance with OMB Circular A-87; and supported by approved contracts, purchase orders, requisitions, bills, or other evidence of liability consistent with generally established purchasing procedures and generally accepted accounting principles.

GRANT TERMS AND CONDITIONS

BEGINNING DATE:
June 1, 2010

ENDING DATE:
June 30, 2012

If travel costs are charged to this grant, the grantee and its contractors must follow the travel policies in the Standardized Government Travel Regulations (41 CFR 101-7), and must not exceed these standard rates. All charges for grant-assisted travel must conform to OMB Circular A-87 standards. Vehicle charges are currently 50.5 cents per mile.

Prior to the expenditure of grant funds for equipment costing more than what is not listed in the enclosed budget, the grantee must submit a written request for NPS authorization of each equipment purchase. The grantee agrees to keep a property inventory and to comply with the property management requirements of OMB Circular A-102 for all equipment purchased with grant funds.

6. Project Monitoring: The grantee agrees to maintain close liaison with NPS representatives throughout the grant period. NPS reserves the right to request meetings, upon reasonable notice, with grantee project staff at intervals during the course of project work. The grantee agrees to promptly notify the grant awarding official in writing should any of the following conditions become known:

- a) Problems, delays, or adverse conditions that will materially affect the ability of the grantee (or its subcontractors, if any) to attain project objectives, prevent the project from meeting planned timetables, or preclude the completion of approved work.
- b) The need for adjustment to the project budget.
- c.) Changes in the project budget or scope of work require the approval from the Chief of the NAGPRA program.

7. Interim and Final Project Reports:

- a) Interim Progress Report. An acceptable Interim Progress Report must be submitted to NPS during the grant period, with the Progress Report due not later than **December 31, 2010**

- c) Interim Reports and the Final Project Report must include the Standard Form 425, *Financial Status Report Short Form*, which is used to document financial obligations and outlays during the previous year.
- d) The final payment will not be approved until all work is completed and an acceptable Final Progress Report is received by NPS. Failure to submit acceptable progress reports by the dates specified, and in the format prescribed by NPS, may result in suspension of funds or other action.

The grantee shall furnish to NPS sample copies of any major publications, reports, studies, or similar materials that are produced with this grant assistance (see Grant Condition 16). This requirement covers major grant-assisted products and not routine correspondence or reports. NPS may request to review, comment upon, and approve any report resulting from this project prior to final issuance by the grantee.

8. Financial Audit. The grantee shall obtain an audit of grant expenditure records in accordance with OMB Circular A-133, which requires a Single Agency Audit for any grantee who expends at least \$500,000 of Federal grant funds (from all sources) in a fiscal year. Financial audits that include costs incurred for this grant (including nonfederal matching share) must be transmitted to the Federal Audit Clearinghouse, Data Preparation Division, U.S. Bureau of the Census, 1201 E.

The Service shall have a royalty-free right to republish any published material generated by this grant.

12. Proposals and products as public record. Any materials, documents, and information produced by this grant become part of the public record and are available to the public unless the grantee and the Service mutually agree in writing that disclosure of the data or information would be harmful or because disclosure of this information would be contradictory to tribal religious practices or customs. In such cases, the data or information may be held in confidence by the grantee. However, the grantee must still provide sufficient information to NPS to demonstrate compliance with Grant Conditions 7, 14, 15, and 16.

14. Suspension or Termination: Failure of the grantee to comply with any of the terms or conditions of this Agreement shall be deemed a material breach of this Agreement, and after written notice, NPS shall have every right and remedy under law to suspend, terminate, or annul this grant. This grant may be suspended or terminated for cause by NPS in accordance with OMB Circular A-102.

This grant may also be terminated by mutual agreement, which shall not affect any valid commitment of grant funds that, in the judgment of both NPS and the grantee, had become firm before the effective date of the termination.
