DEAR NAGPRA GRANTEE:

Please note the following pertinent information regarding **Grant Number 40-10-GP-524**

- ❖ Please refer to this **Grant Number 40-10-GP-524** in all correspondence, phone calls and e-mails.
- ❖ **Grant Number 40-10-GP-524** has been awarded \$89,796, however, the National Park Service withholds 15% of the award until the end of the grant period. In order to receive the withheld amount (\$13,469) you must submit the Final Project Report and the final request for reimbursement. In other words, you will have \$76,327 of expendable funds available for all grant related work once your SMARTLINK account is processed. Please plan accordingly.
- ❖ Please make certain to mark your calendar for your first Interim Report and SF-425 due date (the SF-425 replaces the SF-269A and SF-272). The Interim Report and SF-425 are due **December 31, 2010** and every six months thereafter.

I look forward to working with you on this wonderful project. Should you have any questions about your grant, please contact me by phone at (202) 354-2077, by fax at (202) 371-1794, or via e-mail at vedet_r_coleman@contractor.nps.gov.

Sincerely,
