

LENAPE NAMES OF MODERN CLOTHING

These are names and photographs of some of the present day clothing in the Lenape or Delaware Indian language. The lists will start at the top of the head and work down. In the first column there are links in blue that can be clicked or copied to your web browser to take you to the Lenape Talking Dictionary (www.talk-lenape.org) where you can hear the Lenape name.

In cases where the same name is used for women's and men's articles you can be specific by using these words before the Lenape name:
